

SCORNFUL CURSE

2nd-level enchantment

Casting Time: 1 action

Range: Touch

Components: V, S

Duration: 1 hour

All creatures which come within 40 feet of the creature you cast this spell on, during the duration, make a Wisdom saving throw. On a failure, this creature feels an inexplicable aversion to the creature you cast the spell on. This aversion can manifest itself as fear or anger if provoked further, and more proximity causes greater aversion. If a creature succeeds on the save, it will not have to reattempt the save for the duration.

At higher levels. When cast with a 3rd level or higher spell slot, add 1 hour per higher spell slot level used.

Spell Lists. Bard, Vessel
