

BADBERRY

1st-level conjuration

Casting Time: 1 action

Range: Self

Components: V, S

Duration: Instantaneous

You make a berry for the duration. It looks like a Goodberry, but, upon eating, it deals 1d10 poison damage and induces a creature to make a Constitution saving throw, vomiting up everything it has consumed but not digested on a fail. The Badberry becomes useless and shrivelled after 24 hours.

At Higher Levels. The spell makes an additional Badberry for each spell slot level used above 1st.
