

## **PAST PERSPECTIVE**

*3rd-level divination*

**Casting Time:** One hour

**Range:** Self

**Components:** V, S, M (a token from your past)

**Duration:** Concentration, up to 1 hour

You form an image showing your past, for the duration. This image, which others can see as well as you, allows you to see as if you were a witness to an event from your own past, from up to 20 feet away. During this spell, as an action you may change the perspective to any other location or angle within 20 feet of you at the time.

**Spell Lists.** Bard, Cleric, Deity, Vessel, Wizard
